

Ellen VOORHEES' Biography

Ellen Voorhees is a Group Leader in the Information Access Division of the National Institute of Standards and Technology (NIST). Her primary responsibility at NIST is to manage the Text Retrieval Conference

(TREC) Project. She received a B.Sc. in computer science from the Pennsylvania State University, and M.Sc. and Ph.D. degrees in computer science from Cornell University. Her research interests include information retrieval and natural language processing, especially developing appropriate evaluation schemes to measure system effectiveness.
